planning for the future??*

Where? Christ UMC, 501 Wistar Road, Fairless Hills, PA 19030
When? Wednesday, September 18th 5pm-7pm
What? A light supper, followed by a presentation from the Mid-Atlantic United Methodist Foundation

If your church does not currently have an endowment, you are missing out on a vital component of the long-term sustainability of your mission and ministry.

We know that 60% of United Methodist churches in our area haven't received a legacy gift in the last 5 years - let's change that statistic and develop a plan. The Foundation can help!

This event is appropriate for pastors and any interested laity, including finance chairs, trustees, treasurers and more.
